✳️ **Centre Closure:**

Centre closures will be announced early in the morning on the following:

- **Enérgie NRJ 106.1**
- **CBC Quebec AM**
- **91.7 FM - CHLT (Sherbrooke)**
- **ETSB Facebook page**
- **ETSB website**
- **New Horizons Facebook page**

👤 **Visitors:**

All visitors must report to the Main Office for a Visitor Pass. If a student wishes to bring a visitor, they must request a Permission Form from the Main Office. The form must be completed and returned to the Main Office *at least one day* prior to the visit.

Only in the event of an emergency will a student be called out of class. Students are therefore encouraged to take care of personal business outside of school time.

A **Absence from Class:**

Please notify your teachers and the Main Office of your absence ahead of time whenever possible. Call (819) 566-0250 ext. 0 to give your name and reason for not attending. ***An answering machine will take your message when the office is closed or the secretary is unavailable.***

📅 **Attendance:**

Students are expected to attend class on a regular basis as indicated on their schedule, to be on time, and to leave only at the end of each block. Due to a waiting list for certain subjects, if a pattern of lateness, early departure, or frequent absence occurs, the student will be required to either change his/her schedule or leave the program. Each absence is recorded by the teacher and submitted to the TOS (School Organization Technician). **On the fifth (5th) consecutive day of absence from class as per their schedule, a student will be declared as having abandoned the course. An additional charge of \$25.00 will be required after 10 days of absence.**

GENERAL INFORMATION

Bus Transportation:

Students who live outside the area serviced by public transportation are permitted to ride on ETSB buses if space is available. A request must be submitted to the Main Office (New Horizons) prior to riding on the bus. Students requiring bus transportation must sign the agreement to use this service. Students using the school bus must attend classes for the entire day. Students who leave during the day without a valid reason and proof will lose their privileges and will have to find their own means of transportation. Only students attending New Horizons Adult Education Centre are allowed to use the school bus.

Students may only ride the bus route indicated on their bus pass.

Incidents of rude or insolent behaviour directed towards other students and/or bus drivers **will not** be tolerated. The following disciplinary procedures will be acted upon in the event of an incident on the bus:

Incident No. 1

An Incident Report will be completed by driver and forwarded to the student with a copy to the Centre and a second copy directed to the School Board. This report will act as the sole and final warning.

Incident No. 2

A second Incident Report will result in immediate suspension of the student's bus transportation privileges.

Change of Address:

It is important to advise the Main office of any change in your address and/or telephone number so that the information is updated on your school records and at the Ministry of Education. There are change of address forms available at the Main Office.

Lockers:

Due to the small number of lockers available, they will be given on a first come, first served basis. Students may bring and use their own locks, but must inform the Main office of which locker they have chosen. Locks may also be rented for a fee of \$5.00 (refundable when the lock is returned at the end of the school year or your studies). A record of locker numbers and lock combinations will be kept in the Main Office. The Centre reserves the right to open any locker at any time, if a reason presents itself. ***All lockers must be emptied and locks removed at the end of your studies and/or by the end of June.***

GENERAL INFORMATION

Voluntary Medical Information:

Your Mentor will provide you with the *Voluntary Medical Information* form to complete and return as soon as possible. This information will be used in case of an emergency and kept confidential at the Main Office. It is **very** important for us to know of any medical concerns and/or allergies as well as contact information.

Student Pictures:

As the Centre sometimes uses pictures of students for its website, publicity, Facebook page, and other projects, all students must complete the *PHOTO CONSENT* section of the *Voluntary Medical Information* form. A Student Identification card will also be made for the student, so it is necessary to take a photo.

Cheating:

If a student is caught cheating, he or she automatically receives a mark of zero (0) for the course. Sharing exam questions and answers is considered an offence. Depending on the case, the student must rewrite all sections of the examination for the course. Cheating is considered a serious offence; see *Plagiarism Policy* on page 9.

To Appeal a Mark:

If you do not agree with a mark you have received, you can appeal it. If you wish to appeal a mark, you must first discuss it with the teacher concerned. If you are unable to resolve this problem with the teacher, then you must write a letter of explanation and submit it to the Centre Director. If your reason is justified, your mark will be re-evaluated by an external marker or another teacher, but you will have to accept the final decision of the marker.

Safety Drills:

You are asked to learn the *Emergency Exit routes* and the *Emergency Response Plan* posted in each classroom in case the Centre must be evacuated or there is a lockdown. An Emergency response plan has been developed to assist the Centre. Your teacher will inform you of these procedures. During a Centre evacuation drill, you are expected to regroup at the West end of the school parking lot (close to the elementary school) and stay with your teacher until you are informed that it is safe to re-enter the building.

GENERAL INFORMATION

☺ **Child Care:**

There are no childcare facilities at the Centre. In cases of extreme emergency, arrangements could be made for a child to accompany his/her parent to class. Requests should be made through the teachers concerned using the request form for visitors obtained from the Main Office.

☪ **Food and Drinks:**

If you wish to purchase food or drinks there are several restaurants and a grocery store located near the school. Please use the Gymnasium, Student lounge or Student canteen for breaks and lunch. Each teacher will indicate whether eating and drinking is permitted in his or her classroom.

Ⓟ **Parking:**

Parking is permitted behind the school only. ***Vehicles parked elsewhere risk being towed.*** Please take note that the area along the back wall of the school is reserved for the staff members. Do not park close to the green garbage bin.

☎ **Phones:**

Appropriate cell phone use is expected. Texts and phone calls should be done during break time and lunchtime. *Use of the Main Office telephone is not permitted.*

📄 **Photocopier Use:**

Students are not allowed to use the photocopiers. If they require additional copies of school-related material, they must ask their teacher. Personal copies may be made at a cost of .25¢ per page.

CREACTIVITIES

On Wednesdays during Blocks 2 & 3, teachers often schedule enrichment activities for students.

It is important to consult the Bulletin Board in the second floor hallway - reserved for information about these activities.

Most of the time there is a sign-up sheet for the activities being offered. Sometimes there is also a maximum limit of places available. Students who do not sign up may not be permitted to participate in these activities.

More information on the types of activities offered will be given to the students by their Mentors. Watch the TV monitor by the Main office for information as well.

READING BLOCK

Studies have shown that reading has a significant impact on school success. Therefore, our Centre has implemented a 20-minute, daily reading period during block 5. Each student and teacher is required to read a book or magazine during this time.

PLAGIARISM POLICY

Plagiarism: The act of taking work, published or otherwise, and using it as your own.

Examples of plagiarism:

- Using parts of texts without crediting the original source (No citations);
- Omitting quotation marks when using words directly from another text;
- Failure to report the use of other sources of information beyond the assigned text;
- Copying the ideas and pattern of another piece of writing.

Tips to prevent plagiarism:

- Always indicate when you have used other references to prepare your assignments;
- Ask your teacher if you are permitted to use other sources;
- Use quotation marks and citations to accurately identify sources;
- Restrict the use of the cut and paste button on the computer.

Plagiarism is a clear violation of copyright laws. The New Horizons Adult Education Centre considers it a violation of academic property and a serious breach of the student's code of conduct.

Any student caught plagiarizing will face the following consequences:

First offence:

The assignment will be discredited and the student will need to re-do the entire assignment using a different text/topic. The incident will be recorded in the student's file.

Second Offence:

The student must meet the Centre Director and may face a suspension. The incidents will remain on the student's file throughout the course of study.

Third Offence:

A third offence would warrant an immediate removal from the course.

POLICY ON STUDENT CONDUCT

Each discipline case will be evaluated on an individual basis. Students who demonstrate an unwillingness to comply with the Policy on Student Conduct may be suspended or not re-admitted to the Centre.

MAJOR OFFENCE:

Any act which is illegal or endangers, intimidates or physically injures another individual on School Board property, on a school bus or on a Centre-sponsored field trip such as:

- POSSESSION OF, USE OF, AND OR BEING UNDER THE INFLUENCE OF ALCOHOL AND OR DRUGS
- BRINGING/WIELDING WEAPONS
- PHYSICAL ABUSE
- DESTROYING/VANDALISM OF PROPERTY
- SETTING FIRES OR TAMPERING WITH FIRE SAFETY EQUIPMENT
- THEFT
- HARASSMENT

Any major offence will result in immediate exclusion from The New Horizons Adult Education Centre. Re-admission may be considered by a disciplinary committee, which will include the Centre Director.

OTHER OFFENCES:

Any act which has a negative impact on the learning climate at the Centre:

- ABUSIVE LANGUAGE
- CONSTANT ABSENCES
- FREQUENT LATENESS
- INAPPROPRIATE USE OF SCHOOL EQUIPMENT AND MATERIALS
- SUSPECTED CHEATING
- INAPPROPRIATE USE OF COMPUTERS AND CELLPHONES
- SMOKING ON CENTRE PROPERTY
- FACEBOOK ENTRIES, POSTINGS, AND UPDATES

Students will be given a verbal warning and a meeting with the Centre Director may be called which could result in a suspension.

Any person who feels that he/she has been the victim of harassment should bring it to the attention of the Centre Director. If, however, a complaint involves the person fore-mentioned, the report may be made to another staff member, i.e. a mentor. The person who receives the complaint will immediately attempt to resolve the situation by informal and confidential mediation, if the parties agree. This may be done in collaboration with the mentor, if he or she is not the person who receives the complaint. A confidential written record will be kept of all discussions.

JOB LINKS

Job Links is an Employment and Career Counselling service supported by Emploi Quebec. We also offer services related to a career plan and information about financial support if you would like to return to school.

STUDENT PARTICIPATION ON GOVERNING BOARD

“The Governing Board is a decision-making body which, by establishing a management dynamic between the institution and the school board, gives schools or vocational training and adult education Centres the resources required to meet the educational needs of all students.

The Governing Board carries out its responsibilities in a collegial manner, taking into account the respective roles of all members. This is an essential condition for ensuring that the educational action taken by the various participants serves a common goal, namely, the academic success of the greatest possible number of students.” Taken from the Ministry of Education website.

Each school year, two students are asked to serve as student representatives at Governing Board meetings, which are held periodically throughout the year. Their responsibilities are to present information on behalf of the student body and vote on matters that are discussed at the meetings. If you would like to volunteer, please see your Mentor or teacher.

***SUMMARY OF THE
PROCEDURE FOR THE
RECONSIDERATION OF A DECISION***

(Appeal Process)

If you are concerned about a decision affecting your child or yourself (if you are an adult student) and wish to have it reviewed, there is a process laid out in the Education Act (Sections 9 to 12), and every School Board must have its own procedure to deal with these requests. To this effect, on October 29, 2002, the Council of Commissioners of the Eastern Townships School Board adopted the *Procedure for the Reconsideration of a Decision*. This procedure may be found on the ETSB website at www.etsb.qc.ca, both in English and French. A copy may also be obtained by contacting your School Principal, Centre Director or the office of the Secretary General.

In the event that a student (or his/her parents) wishes to appeal a decision, he or she should contact Mrs. Kandy Mackey, Assistant Director General at 819-868-3100 ext. 55015 or by e-mail at mackeyk@etsb.qc.ca to submit their request.
